Current Concepts in Wound Management. Los Robles Medical Center, Thousand Oaks, Sept 2007; Tri-Cities Medical Center Wound Conference for Home Health Nurses and E T Nurses 2 Nov 2007, Wound Care Seminar, Bakersfield Memorial Hospital, March 7, 3008

Hyperbaric Medicine and the Chronic Wound. Hemet Valley Medical Center Wound Care Workshop, 3 November 2007; also presented to Physician's Hospital Wound Care and Hyperbaric Medicine Department, El Paso, Texas, 29 April 2008

Diabetic Foot Ulcer Care. L A County Podiatric Association, 16 Dec 2008

Maximizing Reimbursements & ROI with Bioengineered Skin Substitutes & Growth Factors. Advancing Wound Healing for Hospitals & Freestanding Clinics, Chicago, Il. 1 July 2009

Evidence Based Diabetic Ulcer Care. Northern California Podiatric Association, October 27, 2009. Modesto Ca

New Directions in Wound Care. 23 December 2009, Ventura County Medical Center, Ventura Ca

Hyperbaric Oxygen Therapy: When is it Appropriate for Diabetic Foot Ulcers and Chronic Osteomyelitis? Advanced Wound Seminar, Valley Presbyterian Hospital, Van Nuys, Ca 23 Jan '10

Hyperbaric Oxygen Therapy: When is it Appropriate, Why Does it Work? Certified Wound Specialists of S California quarterly meeting, Feb 24, 2010 at Valley Presbyterian Hospital

Learning When Hyperbaric Oxygen Therapy is Appropriate of Diabetic Foot Ulcers and Chronic Osteomyelitis and Developing the Proper Steps to Insure Reimbursement from Third Party Payers June 23, 2010. The 3rd Advancing Wound Healing for Hospitals & Freestanding Clinics: West Coast . San Diego, Ca

Paradigm Annual Hyperbaric Medicine Meeting, El Segundo, Ca 25 Feb 2012. Indications for Hyperbaric Treatments; Air Breaks: When, Where and Why; Documentation and Coding.

Evidence Based Hyperbaric Oxygen Medicine. Wound Care and Hyperbaric Medicine Symposium, St Mary's Medical Center, San Francisco, Oct 5, 2012

TEACHING

Diving Medicine, Hyperbaric Medicine each semester for Santa Barbara City College Marine Tech Dept from 1995 to present

Hyperbaric Medicine for Polytechnic College of Oceaneering and Engineering Certified Hyperbaric Technician Course every quarter since 2001

Diving Medicine and Near Drowning course for Ventura County Sheriff's Underwater Search & Rescue Team

Hyperbaric Medicine and Chronic Wound Care. Advanced Wound Care Workshop sponsored by Paradigm Medical Management, Palm Springs, May 2007

Chronic Wounds: Evaluation and Treatment. Evidence-Based Adjunctive Treatment of Chronic Osteomyelitis, Diabetic Foot Ulcers and Late Effects of Radiation. April 17, 2010. Sierra Nevada Medical Center Wound Care and Hyperbaric Medicine Dept, Grass Valley, Ca

An Update On Diving Medicine. Santa Barbara Dive Refresher & Rescue Workshop May 8, 2010 University of California at Santa Barbara

Paradigm Medical Management Hyperbaric Medicine and Wound Care Course; 40 hour CME for physicians and RNs, 25-27 October 2010. 20 hours of course taught by Dr Millington

Paradigm Medical Management Hyperbaric and Wound Care Course for Pittsburgh Medical Center, Apr 28 thru May 2nd 2011, total of 40 hours with Dr Millington teaching about ½ of course.

Evidence Based Hyperbaric Oxygen Therapy for Diabetic Foot Ulcers and Refractory Osteomyelitis. 11 May 2011, El Paso, Texas

Evidence Based Hyperbaric Oxygen Therapy for Diabetic Foot Ulcers and Refractory Osteomyelitis 17 May 2011. Apple Valley Wound Care and Hyperbaric Center, Apple Valley, Ca

Evidence Based Hyperbaric Oxygen Therapy. For Sierra Nevada Medical Center, Grass Valley, Ca. 2 June 2011

Paradigm Medical Management Hyperbaric Medicine and Wound Care Course; 40 hour CME for physicians, RNs and CHTs, 21-25 July, Redondo Beach, Ca About 20 hours taught by Dr Millington

Approved Conditions for Hyperbaric Oxygen Therapy and the Evaluation of the Hyperbaric Oxygen Candidate. 28 July 2011 Fresno, Calif given to physicians and staff of St Agnes Hospital Wound, Ostomy, and Hyperbaric Center

Physician Related Problems in the Hyperbaric Unit—What Can the CHT Do? Paradigm Annual Scientific Workshop, San Luis Obispo, Ca 1 Oct 2011

Coding and Documentation Issues in Hyperbaric Oxygen Therapy; Sierra Nevada Hospital Center for Hyperbaric Medicine and Wound Care, March 2012

Coding and Documentation Issues in Hyperbaric Oxygen Therapy; Los Alamitos Hyperbaric and Wound Care Center, Apr 10, 2012

New Conditions for Hyperbaric Oxygen Treatment and a Review of Proper Coding and Documentation. U of Pittsburgh School of Medicine Wound Care and Hyperbaric Medicine Center. 5 June 2012

Paradigm Medical Management Hyperbaric Medicine and Wound Care Course; 40 hour CME for physicians, RNs and CHTs, 30 Nov-3 Dec 2012, Norwalk, Ca.
